

Florida Narcotic Officers' Association

2023 Vendor Registration

30th Annual Training Conference

August 21 - 25, 2023

History

The Florida Narcotic Officer's Association began in July 1992, as a spin-off of the Florida Sheriff's Association Statewide Crack Cocaine Task Force. The FNOA has become one of the most sought after organizations in the State of Florida for training of narcotic officers. The FNOA, throughout the year, conducts regional training seminars in different areas of the state. Annually, the FNOA holds a training conference that has developed into the premier event of the year and is widely used by state, local, and federal agencies as a training venue for their officers and agents. The FNOA has become a leader in providing the highest quality training available today at little or no cost to the agencies and departments.

The goals of the FNOA are not only to provide the best in training, but also to promote multi-agency contacts among narcotic agents around the state and to promote anti-drug awareness.

Currently, there are over 2000 members of the FNOA and the membership is continually increasing. Members are a diverse group of conscientious law enforcement agents, state, county and municipal agency law enforcement officers, as well as some out-of-state members.
